Hello,

I strongly agree with the proposed adoption of Incorporated Approved Person compensation option. The compensation model for approved persons should be the same and consistent across the country and I am very happy to see that CIRO is taking the steps to make that the case. I am licensed to operate in multiple provinces and my compensation model should be the same across provinces as well.

I highly endorse the ability to incorporate and have my mutual fund commissions paid to my corporation. My firm treats me like I am a business owner, and I would like to have my compensation and expenses fully reflect that.

I applaud CIRO and the other regulatory bodies for raising this issue and coming up with a solution. I look forward to incorporating for my practice in Alberta.

Thanks,
Dallin
